

Name, First Name: \_\_\_\_\_

Project Name: \_\_\_\_\_

Study Program/Semester: \_\_\_\_\_

Which question is addressed in your work/project?

Why have you decided to deal with this question in your medium?

What kind of research have you done and in which contexts is your work settled in? (Where/in which discourses/media has your question already been covered?)

What is new or different about your approach?

Brief description of your work/project:
